

## All Souls Day Candlelight Mass

Join us for the **Solemnity of All Souls** on **Sunday, November 2nd at the 4:00 PM Mass.**

This special Mass is offered to remember and pray for the souls of the faithful departed—especially those undergoing purification in Purgatory before entering heaven.

It is a powerful celebration of the **communion of saints**, uniting the living, the saints in heaven, and the souls being purified, as we offer them spiritual help through prayer and the Eucharist.

You are invited to write the names of your loved ones in the **Memorial Book** located in the vestibule. Please arrive early if you would like to place a candle at the altar in their honor.

This will be a **candlelit Mass of prayerful remembrance** for all the faithful departed.
