My Catholic Doctor

www.mycatholicdoctor.com

My Catholic Doctor is a nationwide medical practice that brings a team of faithful medical professionals to patients through video-based health consultation on almost any smartphone, computer or tablet. We can initiate your medical care virtually, order any necessary labs, and send prescriptions to any pharmacy of your choice. Most of the time we can take care of all your needs through convenient, affordable virtual care. If in-person care is necessary, our providers will invite you to be seen in their office or refer you to a local provider they trust and recommend. We practice evidence-based scientific medicine from a Catholic perspective and integrate Catholic spirituality into our care as appropriate to the situation.
