Message From Dcn Tom

Fr. Bing will be gone for the next month, and he has asked me to “pinch hit” in his place in the “Message from Fr. Bing.” He asked me to focus my comments on Stewardship. I must admit to being a bit afraid of this task, as I only learned about it yesterday, but I can say I have already learned a fantastic lesson from this “by chance,” (there is no chance; God has a plan.) As part of my daily routine, I read the daily readings and then go to the website, usccb.org and listen to a short reflection on the day’s readings. Mondays always has Msgr. James Vlaun and he is excellent! Today was no exception, and it just so happened to be on the topic of Stewardship. I would like to share a transcript of what he said here.

“Early in my priesthood, I was working with a bunch of kids from the Youth Group and after their volunteering at the parish was done, I took them across the street to the local pizza place. We ordered and I put my hand in my pocket and all I had was a \$20 bill and back in the day, that literally was all I had. I didn’t want to be embarrassed, so I paid for the pizza and the soda, like \$19.25, and said to myself, ‘Well, Saturday I think I’ll get some money, and I have a pretty full tank of gas, I should be OK.’ Well, the next morning, there was an envelope in my mailbox from a parishioner with a \$50 bill in it and a note ‘a gift to use as you wish.’ Now, I’m not raising money here, but I’m raising a point: throughout the 35 years of my priesthood, every time a situation like this has arisen, EVERY TIME, it has come back almost immediately. Jesus is making a point like this today in the Gospel [Mt 5:38-42 ‘...if anyone wants to go to law with you over your tunic, hand them your cloak as well. Should anyone press you into service for one mile, go with him for two miles.’] **Giving has to be part and parcel of who we are.** And not from the excess, if there is excess, no. Tunics and cloaks were necessary, they weren’t extra. Giving is who we are as followers of Christ. We think of giving to the church in three areas: time, talent and treasure. Well, time is hard to give. We’re on the road following behind someone like my dad, who is 88 years old and when he drove, he drove 50 mph in the right lane. We rush around those folks. Waiting on a line at a supermarket and the person in front of us is taking their time. Knowing our kids need to talk to us, but we have a lot to do. When we ‘spend time,’ it comes back to us. The same is true with talent. Helping a neighbor, doing some work down at the church, teaching religious education, using our gifts to make someone’s life better. It’s the DNA of being a believer. I know a woman who bakes a coffee cake for every family in her parish who has a wake. Does it take away all of the pain? No. But in giving, families are touched and transformed one by one. And then there’s treasure. Well, that’s the \$20 in your pocket. I see good and holy people each week walking into the church with bags of food for the pantry. They built into the rhythms of their lives taking care of the poor. That’s all of us in every aspect of our lives: it comes back. Now is all we have. Now is what Christ wants. Time, talent and treasure are our ancestry and DNA. Look in your pocket today and let it go. It will come back tenfold.”

God is not outdone in generosity. He provides what we need, just like he provided this reflection when I was in need of something to write. God wants to show you His generosity. Give Him the opportunity to show you how truly generous He is!

A Year in Children's Ministry

Children's Ministry for the 2022-23 year has come to an end with an out of this world STELLAR experience. This year, our children have experienced many opportunities for service to our St. Rose community as well as to those outside of our parish.

Our children participated in:

1. Collection of school supplies for members of the northern reservation in honor of St. Rose
2. Celebrated Mother Mary and birth of Jesus with a baby shower for our Mother We collected diapers, onsies, baby wipes, and more. We were able to full an entire vehicle!! We played games, sang songs, and enjoyed sweet treats!!
3. We made ornaments for the St. Vincent de Paul giving tree and Easter baskets for those in need.
4. For Lent, we filled baby bottles with cash/coins in support of Life Choices Women's Clinic. In total, we collected \$744.15 to help support the moms and their children's needs
5. The children received Easter baskets AND ice cream sundaes from the Women of St. Rose the kids enjoyed both of these special treats!! Thank you ladies.
6. Year 3 of Sacrament preparation received their Sacraments of Initiation
7. We also participated in All Saints Day procession and the May Crowning of Mother Mary
8. Our year ended with our Stellar VBS - a huge thanks for Rhoda and Greg Webber for their contributions and support as well as all of our Adult, Young Adult, and Teen volunteers. We could not have done the program without you!!

Registration for next year will begin in July. We are pleased to announce that there will be **SEPARATE CLASSES** offered for 4th & 5th grade. We have an awesome curriculum, **Word of Life** from the Augustine Institute that we will be using. The Faith Formation Team of Children's Ministry is looking forward to an even bigger and brighter year of formation. HAPPY SUMMER!!

St. Vincent de Paul back to school drive

Many of our neighbors are struggling with day-to-day expenses. Soon they will be faced with the added burden of providing back to school clothes and supplies.

Starting July 2nd through 16th, we will be collecting your donations of \$25 Walmart gift cards or cash contributions in an envelope marked **SVdP**. You can drop them in the collection baskets during Mass or at the Parish office. Help to give a child a great start to the new school year!

EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

Will You Say Yes?

You find yourself in the difficult situation of being accused of blasphemy and confronting possible execution. Your crime is believing in Jesus Christ. The question is then asked of you, "Are you a Christian, a follower of the one named Jesus Christ?" Your answer may very well dictate what happens to you next. What is your answer?

It is probably easier to answer this question when the scenario is make-believe. All of us want to believe that we would say yes to the question of belief in Jesus, but strange things happen when humans panic in the face of extreme stress. As we reflect on what we would say, there are those all over the world who are being asked that very same question. It is a question that was asked of many in the first centuries of the Church. Those who respond "yes" are considered martyrs and saints.

We might not usually think of all this in terms of good stewardship living. However, our faith is also a gift we have received from God to cultivate, grow, and share with others. The more interesting question than the one posed above is, "Would an accuser even think of asking you such a question?" Would you have cultivated, grown, and shared your faith enough that anyone would even consider you worthy of asking the question? They might assume you don't know Jesus Christ at all. I don't like conflict and do not seek out conflict, but I would rather someone ask the first question posed than assume there is no reason to confront me in the first place.
