**New Church
Update #3**

CONSTRUCTION UPDATE

The build of our new church is only four weeks in, yet the general contractor has raised the pad (the area that the church sits on) and parking areas, so that they are at grade with the Spirituality Center. The total amount of earth that is being moved to level the church and parking areas is 5,000 tons. The footings have been poured and soon the complete 17,000 square foot church foundation will be poured.

Last week we offered a preview of the 16 Marion stained glass windows that can be donated. This week, you can see one of the four Rose Windows that will become an element of St. Rose Philippine Duchesne Church for the life of the church. The four Rose Windows are each 5 feet in diameter and will be illuminated day and night. There is one above the entrance to the church, one in each of the transepts and one in the Daily Chapel. The four windows are: The Most Holy Trinity; The Sacred Heart of Jesus; The Immaculate Heart of Mary; and St. Rose Philippine Duchesne.

St. Vincent de Paul Giving Tree

A big **Thank You** from the St. Rose Conference of SVdP! With the help of our St. Rose Christmas Elves, we were able to provide 52 food boxes to families in need. This year, due to your generosity, we included along with those Christmas food boxes, 234 individual gift cards. This brings the total value of our Christmas giving to \$10,750. In addition, we were able to offer gift bags to 11 Homeless families. These contained gift cards, socks, and blankets. We are truly blessed!

In every way I have shown you that by hard work of that sort we must help the weak, and keep in mind the words of the Lord Jesus who himself said, 'It is more blessed to give than to receive' Acts 20:35

Thank you for your continued support.
