STAINED GLASS

The Parish website displaying all of the new church's stained glass' "inspirational concepts" was launched last Wednesday. Some windows have already been donated, but if you go to the website, you can still view all of the remaining windows that need donors before they can be commissioned for creation. More than one family can come together to donate a window in their families' names. A couple of ministry groups have donated one, as well as individuals and families. Your window will forever represent your generosity and devotion to the Catholic Faith and to St. Rose Philippine Duchesne Catholic Parish.

CONSTRUCTION UPDATE

As you can see below, the rebar work is completed for the massive footings and concrete will be poured this week. The stem walls will also be formed starting this week, and concrete cast a week later. We are hopeful to have the 17,000+ square foot slab (foundation) cast the first half of March. We may be able to setup a weekend tour of the layout once the foundation is poured and set, allowing parishioners to see and feel the full breath, scope, size, and layout of our new church.
