New Church  
Update #7

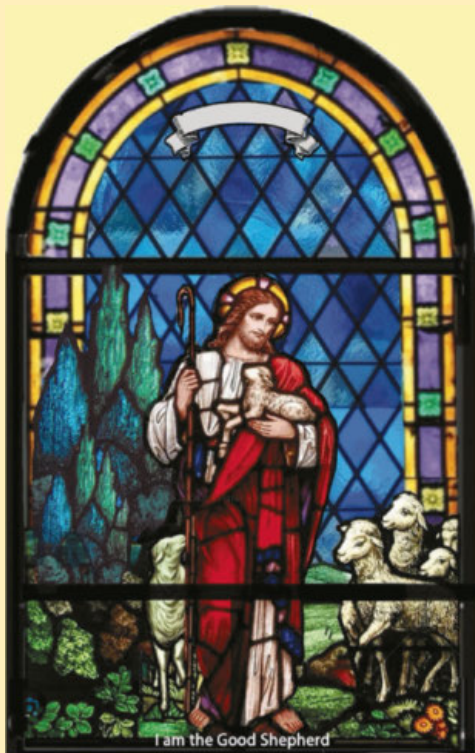

## STAINED GLASS

Our parishioners never cease to amaze. Stained-glass only became available for sponsorship on Wednesday, February 12th, however by Sunday February 16th, 24 windows had already been donated. By the time you are reading this, we expect the numbers to be even higher.

There are seven very large arched windows that also need sponsors. These windows are scenes representing Jesus' seven spoken "**I AMs**" that are recorded in John's Gospels. These windows are 10 feet tall and 7 feet wide. It will take the artists several months to create each one. We hope that they will be completed before the dedication Mass with Bishop John Dolan, but without sponsors, we cannot commission the artists to begin. These windows are \$55,000 each. A window donation of this amount may be possible if several families join together to sponsor one; or Faith groups or ministries that would have a large number of donors each contributing a portion.

Remember that at the time of commissioning a window, only one-half of the total donation amount is required and the rest can be paid over 12 months.
